APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-
cation, and do hereby grant the same, subject to the following lim-
itations and conditions:

This permit is issued subject to all prior rights on the source
and the storage right acquired hereunder is limited to 200 acre feet
per annum. This application being made in conjunction with applications
Nos. 3308, 3309 and 3310, all of which applications were made with the
view of utilizing the waters of the various lakes described in each, the
permit herewith issued is considered a part only of the irrigation
system proposed under the above numbered applications. The State res-
erves the right to regulate the use of the water herein granted at any
and all times.

The amount of water to be appropriated shall be limited to the
amount which can be applied to beneficial use, and not to exceed
200 acre cubic feet per second. annum for storage.

Actual construction work shall begin on or before September 16, 1916.

Proof of commencement of work shall be filed before October 16, 1916.

Work must be prosecuted with reasonable diligence and be completed
on or before September 16, 1919.

Application of water to beneficial use shall be made on or before
September 16, 1923. Proof of the application of water to beneficial
use must be filed with State Engineer on or before October 16, 1923.

Proof of labor filed OCT 24 1916

WITNESS MY HAND AND SEAL this 16th day

Map filed AUG 16 1917

of June, 1916.

Proof of completion of work filed NOV 12 1919

Cancelled

Jan. 1, 1926

Because of failure of

applicant to comply with provisions of permit.

Robert A. Allen
